

Lawn & Garden Belts

• Brand new, BESTORQ lawn and garden V-belts. Resistant to severe and repeated shock loads and belt turnover or roll. Use where misalignment, clutching and ackside idlers are present in lawn and garden, ag equipment and all types of industrial drives. Created with a lowered coefficient outer rubber-impregnated fabric cover that is extremely tough, wear and crack resistant. Kevlar cord. Available in 3/8" (3L), 1/2"(A) and 5/8" (B) widths. Many other sizes online at [www.surpluscenter.com](http://www.surpluscenter.com).

Also our website has cross-reference material from many mowers to their specific replacement belts.
