

Installation Instructions

6391203 Switch Panel, On-Off with Flash Pattern Control

This 3-Button Controller offers a main on-off, a dedicated pattern selector on-off button, and a sync pattern change button. This switch can be used with any Buyers Products LED light bar or any place where you need to control two circuits and provide a momentary pattern/sync control.

Fig. 1

Switch 1: On / Off switch used to Power On / Off the light bar.

Switch 2: When wired as shown this switch will turn On / Off the Takedown and Alley lights.

Switch 3: This is a Momentary / Sync control switch to change the light pattern selection

The maximum output power is 30W

WARRANTY

Buyers Products Co. warrants all truck/trailer hardware manufactured or distributed by it, to be free from defects in material and workmanship for a period of one year from date of shipment. Parts must be properly installed and used under normal conditions. Any product which has been altered, including modification, misuse, accident or lack of maintenance will not be considered under warranty. Normal wear is excluded. The sole responsibility of Buyers Products Co. under this warranty is limited to repairing or replacing any part or parts which are returned, prepaid, and are found to be defective by Buyers Products Co. Authorization from Buyers Products Co. must be obtained before returning any part. No charges for transportation or labor performed on Buyers' products will be allowed under this warranty.
